OCTAVIA DYNAMIC+

PLUS: MORE ELEGANCE, MORE DYNAMICS

The DYNAMIC+ package is about more than just the captivating and dynamic appearance of the car. Yes, the plus symbol represents emotion, the power of the moment, breathless excitement and the beating of the heart.

The dynamic and elegant lines of the car, the attractive elements and the refined details comprise the plus for getting all of the attention. Compared to series production cars, the exterior and interior elements of the ŠKODA OCTAVIA DYNAMIC+ make it absolutely clear who is in control of the dynamics, emotion and energy of the moment.

But DYNAMIC+ isn't just a more attractive ŠKODA OCTAVIA. Beyond an appealing exterior and interior, it also harnesses a distinguished, sporty style that reflects your confidence and taste: giving you control over the energy, the emotion, and the power of the moment.

DYNAMIC HARMONY

With the DYNAMIC+ package, the ŠKODA OCTAVIA can create moments that make your heart race. With front and rear spoilers and sleek, sports-inspired mirrors, it unites distinctive features, performance, and character for a truly singular drive.

PRACTICALITY WITH STYLE

DYNAMIC+ infuses the ŠKODA OCTAVIA COMBI with practical elements and sporty attitude. Elegant 17" Trius Black Wheels, sunset, black mirrors, front spoilers and rear diffusers work together to form a unique, self-confident style.
